

# 1ST FOR WOMEN PET INSURANCE

Whether you're a *fur-mom* or a more pragmatic pet owner, **we've specifically designed the perfect Pet Insurance just for you** – and the *furry* members of your family.

Since we know that not all pets need the same cover (and you need to consider your finances too) we've designed **three plans to suit their needs and your budget**. And let's not *forget* our Multi-Pet Discount! Save 10% when you insure 2 pets and 15% when you insure 3 or more pets (on the same plan).

1st for women

**Browse through our plans below and then check out our pawsome perks –** like a Pet Taxi (your pet’s personal chauffeur) and Vet@First (a 24/7 dedicated health-care line, for professional emergency and medical advice).

You can't predict an accident, but you can prepare for it. With this purse-friendly plan, your fur-baby is **covered if he/she is injured in an accident and needs hospitalisation/surgery.**

This plan is also ideal for pets in their golden years (9 years and older) who can no longer get full cover.

## WHAT EXCESSES ARE APPLICABLE?

- ✿ There is no excess for Wellness, Dignified Ending and 3rd Party Liability claims.
- ✿ There is only a 10% excess on Minor Care and Diagnostic claims.
- ✿ Excess on Surgery & Hospitalisation: First 6 months of cover – 25% (minimum R500), whichever is greater, month 7 of cover onwards – 10% (minimum R500), whichever is greater

**Kindly note that the above excesses are applied per claim.**

## AWESOME PERKS

### ✿ **Vet@First (24/7 emergency and healthcare line)**

In a medical emergency, Vet@First's panel of experts will guide you through a crisis – and refer you to the nearest vet. They also provide advice on general medical questions, healthcare and nutrition.

### ✿ **Pet Taxi (Need we say more?)**

Pet got a vet appointment? Grooming date at the parlour? Reservations at a pet hotel? We'll give them a safe ride there and home.

### ✿ **Important to note:**

The annual limit for Vet@First and Pet Taxi collectively is 4 incidents per annum up to the limit of R3 000.
